§ 156.200 PURPOSE AND INTENT

(A) The use, possession, and cultivation of cannabis and cannabis related products has become legal in the State of Minnesota for adults over the age of twenty-one (21), and the city believes reasonable controls and regulations are required to ensure use, possession, cultivation, and consumption of such products is necessary to ensure public health, safety, comfort, convenience, and general welfare of the residence of the City of Milaca. This Ordinance shall be intended to regulate the sale, possession, use, and cultivation of cannabis and cannabis related products and cannabis related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the use of cannabis and cannabis related devices, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to use cannabis and cannabis related products. This Ordinance shall be construed to comply with the requirements of Minnesota Statute §342 as it is amended from time to time.

The city finds and concludes that the proposed provisions are appropriate and lawful land use regulations for the city, that the proposed amendments will promote the community's interest in reasonable stability in zoning for now and in the future, and that the proposed provisions are in the public interest and for the public good.

(B) DEFJNIT1ONS.

Unless otherwise noted in this section, words and phrases contained in Minn. Stat. §342.01 and the rules promulgated pursuant to any of these acts, shall have the same meaning in this ordinance.

Wholesalers may also import hemp-derived consumer products and lower-potency hemp edibles.

*Must be registered through Mille Lacs County.

§ 156.201 AUTHORITY TO ADOPT THIS ORDINANCE.

- (A) Minn. Stat. §342.13(c) regarding the authority of a local unit of government to adopt reasonable restrictions of the time, place and manner of the operation of a cannabis business provided that such restrictions do not prohibit the establishment or operation of cannabis businesses.
- (B) Minn. Stat. §342.22 regarding the local registration and enforcement requirements of state-licensed cannabis retail businesses and lower-potency hemp edible retail businesses.
- (C) Minn. Stat. 152.0263, Subd. 5 regarding the use of cannabis in public places.
- (D) Minn. Stat. 462.357 regarding the authority of a local authority to adopt zoning ordinances.
- (E) This Ordinance shall be applicable to the legal boundaries of the city. The city has delegated cannabis retail registration authority to Mille Lacs County per Resolution #24-37. However, the city may adopt ordinances if Mille Lacs County has not adopted conflicting provisions. Since the city has delegated cannabis retail registration authority to Mille Lacs County, the city has included as an addendum to this Ordinance, Mille Lacs County Ordinance No. Admn-12.

§ 156.202 PROCEDURES, PROCESS AND COMPLAINTS.

- (A) Within 30 days of receiving a copy of an application from the office, a local unit of government shall certify on a form provided by the office whether a proposed cannabis business complies with local zoning ordinances and, if applicable, whether the proposed business complies with the state fire code and building code. The office may not issue a license if the local unit of government informs the office that the cannabis business does not meet local zoning and land use laws. If the local unit of government does not provide the certification to the office within 30 days of receiving a copy of an application from the office, the office may issue a license.
- (B) The office by rule shall establish an expedited complaint process to receive, review, and respond to complaints made by a local unit of government about a cannabis business. At a minimum, the expedited complaint process shall require the office to provide an initial response to the complaint within seven days and perform any necessary inspections within 30 days. Nothing in this paragraph prohibits a local unit of government from enforcing a local ordinance. If a local unit of government notifies the office that a cannabis business other than a cannabis retailer, cannabis microbusiness or cannabis mezzobusiness with a retail operations endorsement, lower-potency hemp edible retailer, or medical cannabis combination business operating a retail location poses an immediate threat to the health or safety of the public, the office must respond within one business day and may take any action described in section 342.19 or 342.21.
- (C) If any section, clause, provision or portion of this ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby.

§ 156.203 REQUIREMENTS FOR CANNABIS BUSINESS.

- (A) The city shall prohibit the operation of a cannabis business within 1,000 feet of a school (as defined in Section 156.200(B)).
- (B) The city shall prohibit the operation of a cannabis business within 500 feet of a daycare (as defined in Section 156.200(B)), residential treatment facility (as defined in Section 156.200(B)), churches, synagogue, mosque, temple, or building which is used primarily for religious worship and related religious activities, libraries, recreational centers, halfway houses or of an attraction within a public park that is regularly used by minors, including a playground or athletic field.
- (C) The city shall prohibit the operation of a cannabis retail business within 150 feet of another cannabis retail business.
- (D) Pursuant to Minn. Stat. §462.363, nothing in this ordinance shall prohibit an active cannabis business or a cannabis business seeking registration from continuing operation at the same site if a school, daycare, residential treatment facility or attraction within a public park that is regularly used by minors moves within the minimum buffer zone.
- (E) The city shall limit the number of local retail registrations for cannabis retailers, including cannabis microbusinesses and cannabis mezzobusinesses with retail endorsements, to one retail registration per 12,500 residents.

§156.204 ZONING AND LAND USE

- (A) Cannabis Cultivators can grow cannabis plants from seed to maturity. Cultivators are allowed to harvest, package, and label cannabis flower, seedlings and immature cannabis plants for sale to other cannabis business. Cultivators can grow up to 30,000 square feet of plant canopy indoors or up to two acres of mature flowering plants outdoors. They can sell immature cannabis plants, seedlings and cannabis flower to other cannabis businesses. Cultivation - cannabis businesses licensed or endorsed for cultivation are permitted in the following zoning districts:

I-1 Light Industrial

- (B) Cannabis Manufacturers process cannabis and hemp materials into various products, such as edibles, concentrates, wax, oils, and tinctures. Manufacturers can buy cannabis flowers, cannabis products, and lower-potency hemp products from other cannabis businesses. They can purchase hemp plants and concentrates from hemp businesses licensed under chapter 18K. They turn these materials into cannabis products, lower-potency hemp edibles, and hemp-derived consumer products then package and sell them to other cannabis businesses. Cannabis Manufacturers can transport from cultivation site to manufacturing site on same premises under same license holder. They can sell cannabis concentrate, hemp concentrate, artificially derived cannabinoids, cannabis products, lower-potency hemp edibles, and hemp-derived consumer products to other cannabis businesses. Cannabis businesses licensed or endorsed for cannabis manufacturer are permitted in the following zoning districts:

I-1 Light Industrial

- (C) Lower-Potency Hemp Edible Manufacturers can produce edibles from hemp. These manufacturers can create, package, and label lower-potency hemp edibles, and sell them to cannabis businesses. Lower-Potency Hemp Edible Manufacturers can sell hemp concentrate, artificially derived

cannabinoids, and lower-potency hemp edibles to other cannabis businesses and hemp businesses. Businesses licensed or endorsed for low-potency hemp edible manufacturers are permitted in the following zoning districts:

I-1 Light Industrial

(D) Cannabis Wholesalers can buy cannabis, cannabis products, and lower-potency hemp edibles, and hemp-derived consumer products from cannabis businesses and then sell them to other cannabis and lower-potency hemp business. They can import hemp-derived consumer products and lower-potency hemp edibles that contain hemp concentrate or artificially derived cannabinoids. Cannabis wholesalers can sell immature cannabis plants and seedlings, cannabis flower, cannabis products, lower-potency hemp edibles, and hemp-derived consumer products to cannabis microbusinesses, cannabis mezzobusinesses, cannabis manufacturers, cannabis retailers. Lower potency hemp edibles to lower-potency hemp edible retailers. Cannabis businesses licensed or endorsed for wholesale are permitted in the following zoning districts:

I-1 Light Industrial

(E) Cannabis Retailers can sell packaged cannabis products to the general public and medical patients. They can buy cannabis (including plants and seedlings), lower-potency hemp edibles, and hemp-derived consumer products from other cannabis businesses and sell them to customers. Cannabis retailers can operate up to five retail locations; however, no person, cooperative, or business may hold a license to own or operate more than one cannabis retail business in one city and three retail businesses in one county. Cannabis retailers can sell immature cannabis plants and seedlings, adult-use cannabis flower, adult-use cannabis products, lower-potency hemp edibles, hemp-derived consumer products, and other products authorized by law to adults over 21 years of age and registered medical patients. Cannabis businesses licensed or endorsed for cannabis retail are permitted in the following zoning districts:

B-2 General Business
I-1 Light Industrial

(F) Cannabis Transporters can move cannabis, cannabis products, lower-potency hemp edibles, and hemp-derived consumer products between businesses. They can transport immature cannabis plants and seedlings, cannabis flower, cannabis products, artificially derived cannabinoids, hemp plant parts, hemp concentrate, lower-potency hemp edibles, and hemp-derived consumer products. Cannabis transporters can transport from cannabis microbusinesses, cannabis mezzobusinesses, cannabis cultivators, cannabis manufacturers, cannabis wholesalers, lower-potency hemp manufacturers and industrial hemp growers. Cannabis transporters can transport to cannabis microbusinesses, cannabis mezzobusinesses, cannabis manufacturers, cannabis testing facilities, cannabis wholesalers, cannabis retailers, lower-potency hemp edible retailers, and medical combination businesses. Cannabis businesses licensed or endorsed for transportation are permitted in the following zoning districts:

. B-2 General Business
I-1 Light Industrial

(G) Cannabis Delivery Service can purchase cannabis, lower-potency hemp edibles, and hemp-derived consumer products from specific cannabis businesses and sell and deliver those products directly to consumers. Cannabis delivery service can sell cannabis flower, cannabis products, lower-potency

hemp edibles, and hemp-derived consumer products. - Cannabis businesses licensed or endorsed for delivery are permitted in the following zoning districts:

B-2 General Business
I-1 Light Industrial

(H) Cannabis testing facilities can obtain and test immature cannabis plants and seedlings, cannabis flower, cannabis products, hemp plant parts, hemp concentrate, artificially derived cannabinoids, lower-potency hemp edibles, and hemp-derived consumer products from businesses licensed to produce those items. They ensure these products meet safety standards.

Activities and products allowed: No operating, growing, transporting, or selling activities allowed.

Cannabis testing facilities are only allowed in the I-1 Industrial District.

§ 156.205 ODOR MANAGEMENT OF CANNABIS FACILITIES.

(A) No person, tenant, occupant, or property owner shall permit the emission of cannabis odor from any source to result in detectable odors that leave the premises upon which they originated and interfere with the reasonable and comfortable use and enjoyment of another's property.

(B) Whether or not a cannabis odor emission interferes with the reasonable and comfortable use and enjoyment of a property shall be measured against the objective standards of a reasonable person of normal sensitivity.

(C) A cannabis odor emission shall be deemed to interfere with the reasonable and comfortable use and enjoyment of property if cannabis odor is detectable outside the premises.

(D) No person shall be convicted of a violation of this section unless the zoning official has delivered or posted a written warning, in the previous twelve (12) months, that conduct violating this section is occurring or has occurred.

(E) Extended grace period for licensed cannabis business. No person who receives a warning at a licensed cannabis business shall be convicted of a violation that allegedly occurred within thirty (30) days after the first warning issued pursuant to subsection (d), if all of the following conditions are met:

(1) A first warning within twelve (12) months was previously issued pursuant to subsection (D) of this section for the person's property and the subject property is licensed as a cannabis cultivation facility by the city or the state;

(2) Seven (7) or fewer days after the warning was posted or delivered, the person submitted a written document to the city manager which explained (i) why the cannabis odor emissions could not be abated within seven (7) days feasibly, and (ii) how the person planned to abate the cannabis odor emission in the following ninety (90) days;

(3) The person receiving the warning has diligently pursued to complete the plans for abating the cannabis odor emission; and

(4) The written document described in condition (2) was submitted fewer than ninety (90) days before the date of violation.

§156.206 - ZONING DESIGN STANDARDS FOR SPECIFIC ZONES AND USES FOR CANNABIS AND CANNABIS RELATED BUSINESSES

(A) *Intent and application.*

(1) It is the intent of the community to set restrictions limiting the visibility of cannabis from the exterior of cannabis establishments meant to ensure minors are not enticed by cannabis, hemp, and their accessories, tobacco and tobacco paraphernalia, or sexually oriented businesses (as defined in Section 156.145). The purpose of these design standards is to establish a quality impression and to ensure minimum building design standards in order to protect neighboring investment.

(2) These design standards apply to all new construction, conversion of existing structures to these uses, and to any expansion of existing buildings.

(3) Exception: Conversions of existing structures to the above uses shall be exempt from subsection (B) (1).

(B) Materials, orientation, windows, roofs, and accessory structures.

(I) Materials on vertical surfaces or building fascia. All building vertical surfaces, including front, side, and rear, shall have building finishes made of fire-resistant and low maintenance construction materials that may include: face brick, architectural or decorative block or concrete, stone, stucco, aluminum, or steel without exposed fasteners, and other materials that enrich the impression and appearance of the community. The color of materials shall be part of the manufacturing and construction process.

(2) Orientation. For purposes of this section, the term "front of a building" means the lineal and vertical surface facing a public street. The front of the building shall have a clearly defined entrance and shall incorporate required windows and doors. If the building abuts more than one (1) street, the zoning official will determine what is the front for purposes of window placement.

(3) Windows. The front of the building shall have a maximum often (10) percent of the lineal ground floor in see-through windows. Window space shall not be used for signage, but may be tinted or frosted. Cannabis or hemp products, liquor, tobacco, or related paraphernalia shall not be visible through such windows.

Exception: Sexually oriented businesses shall be no see-through windows; all windows shall be one hundred (100) percent frosted or tinted and not allowed to be used for signage.

(4) Rooftop equipment. The roof design shall provide screening of rooftop equipment as seen from any public street, alley, or residential zoning district.

(5) Ground equipment. The site design shall provide for screening of ground mounted equipment, exterior ductwork, and like equipment. Individual exterior units can be exempted if it meets the intent of the district design standards as determined by the zoning official.

(6) Trash. Exterior trash enclosures are required and shall be designed with materials similar to materials used on the principal building. Trash enclosures shall be adequate in height to screen trash containers and materials but shall not be less than six (6) feet in height. Trash enclosures must remain locked.

(7) Given the noxious smells and potential dangers related to the storage, cultivation, processing, and consumption of cannabis, cannabis business shall:

- a. Not share the same air space with other occupancies.
- b. Not have residential occupancy in the same building.
- c. Have a secure storage facility.
- d. Be solely a cannabis related business.

(8) All design standards noted in specific zone standards shall also apply.

(9) Night sky compliant structures and general exterior site lighting. All sites may be lighted to provide safety, utility, security, productivity, and enjoyment of a property after dark. Any such lighting shall minimize adverse offsite impacts such as light trespass, obtrusive glare, and effects of light pollution. All lights shall be directed toward the site and away from the public right-of-way, adjacent properties, and residential districts with fully shielded cut-off luminaires. Transparent or translucent structures shall not be interiorly lit during nighttime conditions.

§ 156.207 - SITE REQUIREMENTS FOR CANNABIS

(A) Cannabis mezzobusinesses can grow, make; sell, and buy cannabis (including plants and seedlings), lower-potency hemp edibles, and hemp-derived consumer products in the 1-1 Industrial district only. Limited to number of licenses regulated by Mille Lacs County.

Activities and products allowed:

- **Can operate:** Up to three retail locations.
- **Can grow:** Up to 15,000 square feet of plant canopy indoors or up to one acre of mature flowering plants outdoors.
- **Can transport:** Between facilities under same license holder.
- **Can sell:** Immature cannabis plants and seedlings, adult-use cannabis flower, adult-use cannabis products, lower-potency hemp edibles, hemp-derived consumer products, and other products authorized by law to other cannabis businesses and customers.

(B) Cannabis microbusinesses can grow, make, sell, and buy cannabis (including plants and seedlings), lower-potency hemp edibles, and hemp-derived consumer products in the 1-1 Industrial district only. They can also have on-site lounges where customers can use cannabis. Limited to number of licenses regulated by Mille Lacs County.

Activities and products allowed:

- **Can operate:** A single retail location. Can allow on-site consumption on a portion of its premises where customers can consume edible cannabis products and lower-potency hemp edibles.
- **Can grow:** Up to 5,000 square feet of plant canopy indoors or up to one-half acre of mature flowering plants outdoors.
- **Can transport:** Between facilities under same license holder.
- **Can sell:** Immature cannabis plants and seedlings, adult-use cannabis flower, adult-use cannabis products, lower-potency hemp edibles, hemp-derived consumer products, and other products authorized by law to other cannabis businesses and customers.

(C) It is the intent of the community to set restrictions limiting the visibility of cannabis from the exterior of cannabis establishments meant to ensure minors are not enticed by cannabis, hemp, and their accessories. The purpose of these design standards is to establish a quality impression and to ensure minimum building design standards in order to protect neighboring investment.

(D) A straight-line drawing shall be prepared within thirty (30) days prior to application depicting the property lines and the structures containing any of the above listed uses. The drawing shall be reviewed by the zoning official for accuracy. For purposes of this section, a use shall be considered existing, established, or application submitted at the time an application is submitted. In the event of a dispute between the applicant and the city as to the accuracy of the drawing, the building official may order the applicant to provide a drawing with the information required under this subsection prepared by a registered land surveyor. For setback purposes, a public park or recreational area is land which has been designated for park or recreational activities, including, but not limited to, a park, playground, nature trails, swimming pool, reservoir, athletic field, basketball or tennis courts, pedestrian/bicycle paths, wilderness areas, or other similar public land within the city which is under the control, operation, or management of the city park and recreation authorities the drawing shall include distances from business of like use listed in 156.200.

(E) For the purpose of section 156.206(D), measurement shall be made in a straight line, without regard to the intervening structures or objects, from the nearest portion of the building or structure used as the part of the premises where a cannabis retail business is conducted, to the nearest portion of the building or structure of a use listed in section 156.200. In the case of a land use in section 156.200(E) where no primary structure is present, measurement shall be made to the property line. Presence of a city, county, or other political subdivision boundary shall be irrelevant for purposes of calculating and applying the distance requirements of this section. Such distance shall be measured across property lines, regardless of ownership of the property.

(F) Access to where product is stored must be resilient and strong enough to resist attempts at being broken to gain entry.

(G) Security Cameras must be installed inside and outside of business and kept for 60 days.

§156.208 HOURS OF OPERATION.

Cannabis businesses are limited to retail sale of cannabis, cannabis flower, cannabis products, lower-potency hemp edibles, or hemp-derived consumer products between the hours of 8 a.m. and 10

p.m. Monday-Saturday, 10 a.m. and 7 p.m. Sunday's. However, state statutes prohibit the sale of cannabis between 2 a.m. and 8 a.m., Monday through Saturday, and between 2 a.m. and 10 a.m. on Sundays per Minn. Stat. §342.13.

§156.209 ADVERTISING.

- (A) May not include or appeal to those under 21 years old.
- (B) Must include proper warning statements.
- (C) May not include misleading claims or false statements.
- (D) Cannabis businesses are permitted to erect up to two fixed signs on the exterior of the building or property of the business, unless otherwise limited by city's sign ordinances under Title XV of the city code. Billboards are not allowed. Permits as required under city code must be obtained before any signage can be erected.

§156.210 SALE OF LOW-POTENCY HEMP EDIBLES.

The sale of Low-Potency Edibles is permitted, subject to the conditions within this ordinance. Low-Potency Edibles businesses are permitted in the following zoning districts:

B-2 General Business District and I-1 Light Industrial

The sale of Low-Potency Edibles is permitted:

- (A) In a Municipal Liquor Store.
- (B) In places that admit people 21 years of age or older.
- (C) In places that meet requirements of this ordinance.

Low-Potency Hemp Edibles shall be displayed behind a checkout counter where the public is not permitted or in a locked case. All lower-potency hemp edibles that are not displayed must be stored in a secure area.

§156.211 SALES OF ADULT-USE CANNABIS.

The flow of all products through the supply chain must be tracked by the state-authorized tracking system. All products sold to consumers and patients must be tested for contaminants. Home delivery is allowed by licensed businesses.

§156.212 INDIVIDUALS.

- (A) Individuals may possess or transport up to 2 ounces of flower in public.
- (B) Individuals may possess up to 2 pounds in private residence.
- (C) Individuals may possess **8** grams of concentrate.

(D) Consumption is only allowed on private property or at licensed businesses with on-site consumption endorsements. Consumption is not allowed in public.

(E) Gifting cannabis to another individual over 21 years old is allowed, subject to possession limits.

(F) Home cultivation is limited to four (4) mature and four (4) immature plants (8 total) in a single residence. Plants must be in an enclosed and locked space.

(G) Home extraction using volatile substances (e.g. butane, ethanol) is not allowed.

(H) Unlicensed sales are not allowed.

§156.213 LOCAL GOVERNMENT AS A CANNABIS RETAILER.

The city may establish, own and operate one municipal cannabis retail business subject to the restrictions in this ordinance. The municipal cannabis retail store shall not be included in any limitation of the number of registered cannabis retail businesses under this ordinance. The city shall be subject to all applicable license requirements and procedures applicable to all other applicants.

§156.214 USE IN PUBLIC PLACES.

No person shall use cannabis flower, cannabis products, lower-potency hemp edibles, or hemp-derived consumer products in a public place or a place of public accommodation unless the premise is an establishment or an event licensed to permit on-site consumption of adult-use.

§156.215 TEMPORARY CANNABIS EVENTS

(A) Any individual or business seeking to obtain a cannabis event license must provide OCM information about the time, location, layout, number of business participants, and hours of operation. A cannabis event organizer must receive local approval, including obtaining any necessary permits or licenses issued by the city before holding a cannabis event. Cannabis event organizers may allow for the sale of cannabis, lower-potency hemp edibles, and hemp-derived consumer products to customers at events. This is a temporary license that must be applied for per event. Cannabis event organizers can provide spaces for on-site consumption of adult-use cannabis flower, adult-use cannabis products, lower-potency hemp edibles, and hemp-derived consumer products. Cannabis events and activities are subject to local approval and permitting. Cannabis event organizers can sell cannabis plants, adult-use cannabis flower, adult-use cannabis products, lower-potency hemp edibles, and hemp-derived consumer products. A cannabis event is specifically prohibited from giving away cannabis plants, cannabis flower, cannabis products, lower-potency hemp edibles or hemp-derived consumer products.

(B) *License or Permit Required for Temporary Cannabis Events.* A cannabis event organizer license entitles the license holder to organize a temporary cannabis event lasting no more than four days. A jurisdiction should determine what type of approval is consistent with their existing ordinances for events. A license or permit is required to be issued and approved by the city prior to holding a Temporary Cannabis Event.

(C) *Registration & Application Procedure.* A registration fee, as established in the city's fee schedule, shall be charged to applicants for Temporary Cannabis Events.

(D) *Application Submittal & Review.* The city shall require an application for Temporary Cannabis Events.

1. An applicant for a retail registration shall fill out an application form, as provided by the city. Said form shall include, but is not limited to:

- i. Full name of the property owner and applicant;
- ii. Address, email address, and telephone number of the applicant;
- iii. (Insert additional standards here)

2. The applicant shall include with the form:

- i. the application fee as required in fee schedule
- ii. a copy of the OCM cannabis event license application, submitted pursuant to 342.39 subd. 2.

3. The application shall be submitted to the city manager or other designee for review. If the city manager or other designee determines that a submitted application is incomplete, they shall return the application to the applicant with the notice of deficiencies.

4. Once an application is considered complete, the city manager or other designee shall inform the applicant as such, process the application fees, and city council will approve or deny the request.

5. The application fee shall be non-refundable once processed.
