(Ord. 330, passed 1-17-02)

### **§ 95.02 DOGS AND CATS.**

(A) *Running at large prohibited.* It shall be unlawful for the dog or cat of any person who owns, harbors, or keeps a dog or cat, to run at large. A person, who owns, harbors, or keeps a dog or cat which runs at large shall be guilty of a misdemeanor. Dogs or cats on a leash and accompanied by a responsible person or accompanied by and under the control and direction of a responsible person, shall be permitted in streets or on public land unless the city has posted an area with signs reading "Dogs or Cats Prohibited."

(B) *Exception.* It shall be permissible for dogs to run at large on and within city owned property, including any city parks, that has been clearly marked with signage indicating dogs may run at large. Any person owning, or having custody or control of any dog that is running at large under this exception shall be responsible for ensuring the dog remains within the indicated area.

(C) *License required.*

(1) All dogs over the age of four months kept, harbored, or maintained by their owners in the city, shall be licensed and registered with the city. Dog licenses shall be for a period of two years, and shall be issued by the City Manager-Clerk upon payment of the license fee as established by Chapter 34 of this code, as it may be amended from time to time. The owner shall state, at the time application is made for the license and upon forms provided, his or her name and address and the name, breed, color, and sex of each dog owned or kept by him or her. No license shall be granted for a dog that has not been vaccinated against distemper and rabies, as evidenced by a certificate by a veterinarian qualified to practice in the state in which the dog is vaccinated.

(2) It shall be the duty of each owner of a dog subject to this section to pay to the City Manager-Clerk the license fee established in Chapter 34 of this code, as it may be amended from time to time.

(3) Upon payment of the license fee as established by Chapter 34 of this code, as it may be amended from time to time, the Manager-Clerk shall issue to the owner a license certificate and metallic

## Milaca - General Regulations

Every owner shall be required to provide each dog with a collar to which the license tag must be affixed, and shall see that the collar and tag are constantly worn. In case a dog tag is lost or destroyed, the City Manager-Clerk shall issue a duplicate. A charge shall be made for each duplicate tag in an amount established in Chapter 34 of this code, as it may be amended from time to time. Dog tags shall not be transferable from one dog to another and no refunds shall be made on any dog license fee or tag because of death of a dog or the owner=s leaving the city before the expiration of the license period.

(4) The licensing provisions of this division (C) shall not apply to dogs whose owners are non-residents temporarily within the city, nor to dogs brought into the city for the purpose of participating in any dog show, nor shall this provision apply to seeing eye dogs properly trained to assist blind persons for the purpose of aiding them in going from place to place.

(5) The funds received by the City Manager-Clerk from all dog licenses and metallic tags fees as established by Chapter 34 of this code, as it may be amended from time to time, shall first be used to defray any costs incidental to the enforcement of this chapter; including, but not restricted to, the costs of licenses, metallic tags, and impounding and maintenance of the dogs.

(D) *Cats.* Cats shall be included as controlled by this division insofar as running at large, pick-up, impounding, boarding, licensing, and proof of anti-rabies vaccine is concerned. All other provisions of this section shall also apply to cats unless otherwise provided.

(2) A certificate of vaccination must be kept on which is stated the date of vaccination, owner's name and address, the animal's name (if applicable), sex, description and weight, the type of vaccine, and the veterinarian's signature. Upon demand made by the City Manager-Clerk, the Animal Control Officer, or a police officer, the owner shall present for examination the required certificate of vaccination for the animal. In cases where certificates are not presented, the owner or keeper of the animal shall have seven days in which to present the certificate to the City Manager-Clerk or officer. ## **Animals**

### **§ 95.03 NON-DOMESTIC ANIMALS.**

It shall be illegal for any person to own, possess, harbor, or offer for sale any non-domestic animal within the city. Any owner of a non-domestic animal at the time of adoption of this code shall have 30 days in which to remove the animal from the city, after which time the city may impound the animal as provided for in this chapter. Owners may, however, take the non-domestic animal to and from a veterinary clinic within the city for care or treatment. An exception shall be made to this prohibition for animals specifically trained for and actually providing assistance to the handicapped or disabled, and for those animals brought into the city as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition.

(Ord. 330, passed 1-17-02) Penalty, see § 10.99

### **§ 95.04 FARMING OPERATIONS.**

Farm animals shall only be kept where farming operations are allowed in the city, provided that no animal shelter shall be within 100 feet of an adjoining piece of property. An exception shall be made to this section for those animals brought into the city as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition. The owner shall be obligated to meet any other zoning requirements.

(Ord. 330, passed 1-17-02; Am. Ord. 483, passed 6-16-21) Penalty, see § 10.99

### **§ 95.05 IMPOUNDING.**

(A) *Running at large.* Any unlicensed animal running at large is hereby declared a public nuisance. Any Animal Control Officer or police officer may impound any dog or other animal found unlicensed or any animal found running at large and shall give notice of the impounding to the owner of the dog or other animal, if known. In case the owner is unknown, the officer shall post notice at the city office that if the dog or other animal is not claimed within the time specified in division (C) below, it will be sold or otherwise disposed of. Except as otherwise provided in this section, it shall be unlawful to kill, destroy, or otherwise cause injury to any animal, including dogs and cats running at large.

(B) *Biting animals.* Any animal that has not been inoculated by a live modified rabies vaccine and which has bitten any person, wherein the skin has been punctured or the services of a doctor are required, shall be confined in the city pound for a period of not less than ten days, at the expense of the owner. The animal may be released at the end of the time if healthy and free from symptoms of rabies, and by the payment of all costs by the owner. However, if the owner of the animal shall elect

## Milaca - General Regulations

immediately upon receipt of notice of need for the confinement by the officer to voluntarily and immediately confine the animal for the required period of time in a veterinary hospital of the owner's choosing, not outside of the county in which this city is located, and provide immediate proof of confinement in the manner as may be required, the owner may do so. If, however, the animal has been inoculated with a live modified rabies vaccine and the owner has proof of the vaccination by a certificate from a licensed veterinarian, the owner may confine the dog or other animal to the owner's property.

(C) *Reclaiming.* All animals conveyed to the pound shall be kept, with humane treatment and sufficient food and water for their comfort, at least five regular business days, unless the animal is a dangerous animal as defined under § 95.11 in which case it shall be kept for seven regular business days or the times specified in § 95.11, and except if the animal is a cruelly-treated animal in which case it shall be kept for ten regular business days, unless sooner reclaimed by their owners or keepers as provided by this section. In case the owner or keeper shall desire to reclaim the animal from the pound, the following shall be required, unless otherwise provided for in this code or established from time to time by resolution of the City Council:

(1) Payment of the release fee and receipt of a release permit as established by Chapter 34 of this code, as it may be amended from time to time;

(2) Payment of maintenance costs, as provided by the pound, per day or any part of day while animal is in the pound; and

(3) If a dog is unlicensed, payment of a regular license fee as established by Chapter 34 of this code, as it may be amended from time to time, and valid certificate of vaccination for rabies and distemper shots is required.

(D) *Unclaimed animals.* At the expiration of the times established in division (C) above, if the animal has not been reclaimed in accordance with the provisions of this section, the officer appointed to enforce this section may let any person claim the animal by complying with all provisions in this section, or the officer may sell the animal to the University of Minnesota, or cause the animal to be destroyed in a proper and humane manner and shall properly dispose of the remains thereof. Any money collected under this section shall be payable to the City Manager-Clerk.

(Ord. 330, passed 1-17-02) Penalty, see § 10.99

(B) *Kennel as a nuisance.* Because the keeping of four or more dogs or four or more domestic animals on the same premises is subject to great abuse, causing discomfort to persons in the area by way of smell, noise, hazard, and general aesthetic depreciation, the keeping of four or more dogs or four or more domestic animals on the premises is hereby declared to be a nuisance and no person shall keep or maintain a kennel within the city.

(Ord. 330, passed 1-17-02; Am. Ord. 359, passed 7-21-05; Am. Ord. 417, passed 12-17-15) Penalty, see § 10.99

The barking must also be audible off of the owner or caretaker=s premises.

(B) *Damage to property.* It shall be unlawful for any person's dog or other animal to damage any lawn, garden, or other property, whether or not the owner has knowledge of the damage.

(C) *Cleaning up litter.* The owner of any animal or person having the custody or control of any animal shall be responsible for cleaning up any feces of the animal and disposing of the feces in a sanitary manner whether on their own property, on the property of others, or on public property.

## **Milaca - General Regulations**

(B) The officer reasonably believes that the animal meets either the barking dog criteria set out in § 95.07(A), the criteria for cruelty set out in § 95.13, or the criteria for an at large animal set out in § 95.01;

(D) The officer has made a reasonable attempt to contact the owner of the dog and the property to be entered and those attempts have either failed or have been ignored;

(E) The seizure will not involve the forced entry into a private residence. Use of a pass key obtained from a property manager, landlord, innkeeper, or other authorized person to have that key shall not be considered unauthorized entry; and

(F) Written notice of the seizure is left in a conspicuous place if personal contact with the owner of the dog is not possible.  
(Ord. 330, passed 1-17-02)

### **§ 95.09 ANIMALS PRESENTING A DANGER TO HEALTH AND SAFETY OF CITY.**

If, in the reasonable belief of any person or the Animal Control Officer or police officer, an animal presents an immediate danger to the health and safety of any person, or the animal is threatening imminent harm to any person, or the animal is in the process of attacking any person, the person or officer may destroy the animal in a proper and humane manner. Otherwise, the person or officer may apprehend the animal and deliver it to the pound for confinement under § 95.05. If the animal is destroyed, the owner or keeper of the animal destroyed shall be liable to the city for the cost of maintaining and disposing of the animal, plus the costs of any veterinarian examination. If the animal is found not to be a danger to the health and safety of the city, it may be released to the owner or keeper in accordance with § 95.05(C).

(Ord. 330, passed 1-17-02)

### **§ 95.10 DISEASED ANIMALS.**

## **Animals**

(B) *Confinement.* Any animal reasonably suspected of being diseased and presenting a threat to the health and safety of the public, may be apprehended and confined in the pound by any person, the Animal Control Officer or a police officer. The officer shall have a qualified veterinarian examine the animal. If the animal is found to be diseased in a manner so as to be a danger to the health and safety of the city, the officer shall cause the animal to be painlessly killed and shall properly dispose of the remains. The owner or keeper of the animal killed under this section shall be liable to the city for the cost of maintaining and disposing of the animal, plus the costs of any veterinarian examinations.

(C) *Release.* If the animal, upon examination, is not found to be diseased the animal shall be released to the owner or keeper free of charge.

(Ord. 330, passed 1-17-02) Penalty, see § 10.99

### **§ 95.11 DANGEROUS ANIMALS.**

A pen or kennel shall meet the minimum requirements in M.S. § 347.50 subdivision 4, as amended from time to time.

(E) *Designation as a dangerous animal.* The Animal Control Officer shall have the authority to designate any animal as a dangerous animal upon receiving evidence that the dangerous animal has engaged in conduct as stated in division (C).

(2) The owner of the animal has demonstrated an inability or unwillingness to control the animal in order to prevent injury to persons or other animals.

(G) *Procedure.* The Animal Control Officer, after having determined that an animal is dangerous, may proceed in the following manner:

## **Animals**

(1) The Animal Control Officer shall cause one owner of the animal to be notified in writing or in person that the animal is dangerous and may order the animal seized or make orders as deemed proper. This owner shall be notified as to dates, times, places, and the parties bitten, and shall be given 14 days to appeal this order by requesting a hearing before a Hearing Officer as defined in M.S. § 347.541, as amended from time to time.

(2) If no appeal is filed, the orders issued will stand or the Animal Control Officer may order the animal destroyed.

(3) If an owner requests a hearing for determination as to the dangerous nature of the animal, the hearing shall be held before a Hearing Officer, who shall set a date for hearing not more than 14 days after demand for the hearing. The records of the Animal Control Officer or City Manager-Clerk's office shall be admissible for consideration by the Hearing Officer without further foundation. After considering all evidence pertaining to the temperament of the animal, the Hearing Officer shall make an order as deemed proper. If the animal is ordered into custody for destruction, the owner shall immediately make the animal available to the Animal Control Officer. The Hearing Officer shall issue a decision on the matter within ten days after the hearing. (I) *Notification of new address.* The owner of an animal which has been identified as dangerous or potentially dangerous shall notify the Animal Control Officer in writing if the animal is to be relocated from its current address or given or sold to another person. The notification shall be given in writing at least 14 days prior to the relocation or transfer of ownership. The notification shall include the current owner's name and address, the relocation address, and the name of the new owner, if any.

(Ord. 330, passed 1-17-02; Am. Ord. 410, passed 7-17-14; Am. Ord. 487, passed 10-21-21; Am. Ord. 551, passed 12-18-25) Penalty, see § 10.99

## **Milaca - General Regulations**

The muzzle must be of a design as to prevent the dog from biting any person or animal, but will not cause injury to the dog or interfere with its vision or respiration;

(5) If the animal is a dog, it must have an easily identifiable, standardized tag identifying the dog as dangerous affixed to its collar at all times as specified in M.S. § 347.51, as it may be amended from time to time;

(6) All animals deemed dangerous by the Animal Control Officer shall be registered with the county in which this city is located within 14 days after the date the animal was so deemed, and provide satisfactory proof thereof to the Animal Control Officer; and

(7) If the animal is a dog, the dog must be licensed and up to date on rabies vaccination. If the animal is a cat or ferret, it must be up to date with rabies vaccination.

(8) The owner of a dangerous or potentially dangerous dog must have a microchip implanted in the dog for identification, and the name of the microchip manufacturer and identification number of the microchip must be provided to the Animal Control Authority. If the microchip is not implanted by the owner, it may be implanted by the Animal Control Authority. In either case, all costs related to purchase and implantation of the microchip must be borne by the dog's owner.

(B) *Seizure.* The Animal Control Officer shall immediately seize any dangerous animal if the owner does not meet each of the above requirements within 14 days after the date notice is sent to the owner that the animal is dangerous. Seizure may be appealed to district court by serving a summons and petition upon the city and filing it with the district court.

## **Animals**

(C) *Reclaiming animals.* A dangerous animal seized under division (B) above may be reclaimed by the owner of the animal upon payment of impounding and boarding fees and presenting proof to Animal Control that each of the requirements under division (A) is fulfilled.
